

# Hydraulic Shop Press Machine

Computer optimized structure design;  
gantry structure: simple, economic  
and practical.

## CYLINDER

MAIN FUNCTIONS

Polished and chromed with  
high rigidity treatment.

## STROKE ADJUSTMENT

MAIN FUNCTIONS

Adjustable opening height (daylight).

## WORKTABLE

MAIN FUNCTIONS

Stable and high precision.

## MOTOR

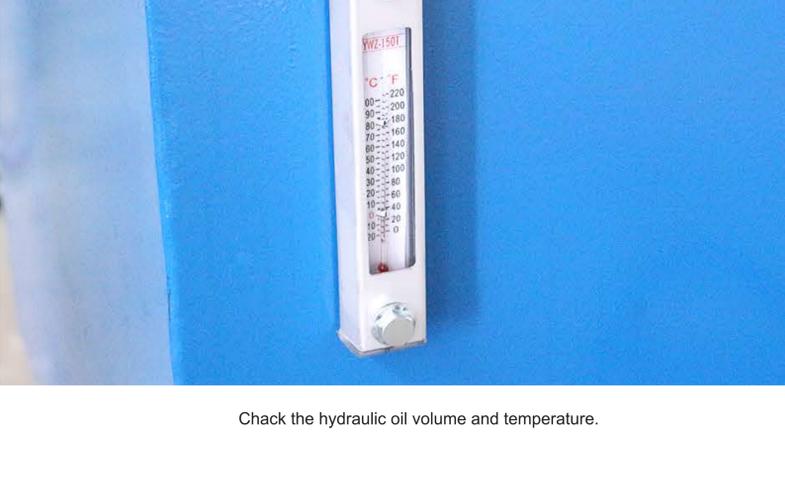

MAIN FUNCTIONS

Siemens motor from Germany.

## OIL GUAGE

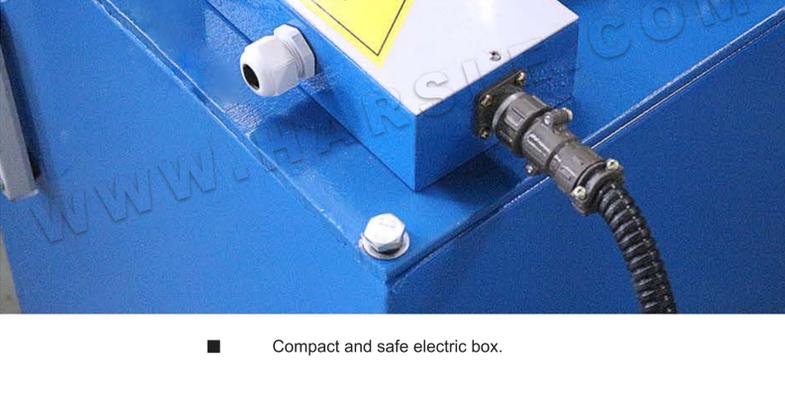

MAIN FUNCTIONS

Check the hydraulic oil volume and temperature.

## ELECTRIC PARTS

MAIN FUNCTIONS

Compact and safe electric box.

## Alternative

**A**

Solenoid Valve

Foot Switch

**B**

Manual Valve

## Optional Configuration

**NO. 1** Safety Fence

**NO. 2** Light Curtain
